## CREATING A NEW ACCOUNT

Upload content to YouTube using your Google login information. If you don't have a Google account, find directions for how to sign up for one [here](#).

## UPLOADING VIDEOS FROM FINAL CUT PRO TO YOUTUBE

To upload your video directly from Final Cut Pro to YouTube, select the option to Share to YouTube on the File > Share menu, which will prompt you to log in to your YouTube account. Check out step-by-step directions [here](#) and [here](#).

## PRIVACY SETTINGS

You can set different privacy settings for your videos: **public**, which is available to anyone; **private**, which is available only to you with your login; and **unlisted**, which is available only via a direct link from you. Check out YouTube's information about privacy settings and how to change them [here](#).

## COPYRIGHT AND BRANDING

Only upload original content. Review YouTube's copyright rules and regulations [here](#). Don't use the University of Oregon or the School of Journalism and Communication's logo without permission. Email the SOJC communications office for logo use and branding questions.
