The UO School of Journalism and Communication is seeking two energetic, creative, and self-motivated Multimedia/Photography Interns for the 2016-17 academic year. Each Multimedia/Photography Intern will work alone and in collaboration to create multimedia pieces and shoot photos for the SOJC’s website and social media channels.

Duties may include:
• Conducting and filming interviews with faculty, administrators, and students
• Planning, shooting, and editing multimedia pieces about student projects and article topics
• Planning, shooting, and editing promotional multimedia pieces about the SOJC and its centers and programs
• Shooting and editing photos for the SOJC’s website, daily content, and social media channels
• Maintaining and using video and photography equipment
• Other duties as assigned

Qualifications
Applicants must be in good academic standing and available to work a minimum of 10 hours/week for the full 2016-17 academic year. Preference will be given to juniors and seniors, but all qualified applicants will be reviewed.

Required:
• Enthusiasm and commitment to the SOJC mission and desire to tell SOJC success stories
• Desire to work as part of a dynamic and creative communications team
• Enthusiasm for and interest in multimedia and visual storytelling
• Knowledge of multimedia and photography best practices
• Ability to conceptualize, shoot, and edit multimedia stories for targeted audiences
• Excellent interpersonal skills and demonstrated ability to conduct video interviews
• Proficiency in using a DLSR camera, including lighting, composition, and photo styling
• Photography editing skills, including knowledge of digital file specs and formats
• Strong time management skills, including ability to plan strategically and meet deadlines
• Strong attention to detail, an eye for consistency, and ability to follow instructions
• Motivation and ability to self-manage, multitask, and be proactive
• Exceptional written and oral communication skills

Preferred:
• Understanding of photography and multimedia for social media, web, and print
• Basic graphic design skills
• Initiative to pitch multimedia stories and photo concepts
• Availability for occasional travel, late nights, and weekends
